### MOUNT HARMON ANNOUNCES

### 2016 PROGRAM & EVENT SERIES

We are delighted to announce our 2016 Mount Harmon Special Event and Program Series, which includes traditional favorites and some wonderful new events. Our 3rd annual Earth Day 5K Cross Country Run/Walk kicks off the season with a great day to enjoy nature and celebrate spring April 23. One of our newest events ~ a Gate to Plate Tavern Night June 4, is sure to please, and will showcase area farm fresh foods and beverages. Be sure to get your tickets early, as space is limited, and you don't want to miss this event! See our special event flyer on page 3 for our entire event series and more info.

We also have a fun and educational Program & Lecture Series planned, including lectures by area authors and experts, as well as living history, kayak, and photography programs. Spring programs include: How to Restore an Antique Steamer Trunk April 28, presented by long-time Mount Harmon supporter Ralph Young; a War of 1812 Living History program: Reenactment of the Battle of Georgetown & Fredericktown Saturday May 7; Photography Workshop with nationally acclaimed fine art photographer Ken Hall May 22; a Blue Heron Kayak Paddle June 9, and a Lotus Blossom Paddle July 28. Visit our website [www.mountharmon.org](http://www.mountharmon.org) for complete program details.

### VOLUNTEERS MAKE IT HAPPEN INTERESTED IN HISTORY & NATURE?

Enjoy history, nature, antiques, and working with people? Join our dedicated team of MHP volunteers and help share Mount Harmon's history and nature with our visitors. Volunteers assist with everything from tours, special events, school programs, garden and grounds, and administrative duties. Email [info@mountharmon.org](mailto:info@mountharmon.org) for more info and take part in preservation and education in our community.

### MOUNT HARMON CELEBRATES NEW

### CAPITAL & PRESERVATION PROJECTS

After several years of decline and boxwoods dying off, we are delighted to report that we have restored the boxwood garden and it looks wonderful. We were able to restore the boxwood garden lighting, add an irrigation system, and plant hybrids that will help the garden thrive into the future. Be sure to come and enjoy the boxwood garden this spring!

Recent grant funding is also helping to add a new visitor orientation path, additional exterior lighting, and an exciting new project: the reconstruction of a colonial-era tobacco barn, to further showcase Mount Harmon's agricultural and plantation history. Many thanks to the Chichester duPont and Crystal Trust Foundations for the generous funding to help make these important preservation projects possible. Many thanks also to David Farrow of Holly Hill Farms, and to K.C. Poore who were pivotal to the planning, design, and planting of the boxwood garden.

Want to help preserve Mount Harmon history? Please contact [phoward@mountharmon.org](mailto:phoward@mountharmon.org) to contribute to our capital fund or make a gift online by visiting [www.mountharmon.org](http://www.mountharmon.org).

### MOUNT HARMON WELCOMES

### SCHOOL FIELD TRIPS

Smiles abound at Mount Harmon's School Field Trips as school children learn first hand about colonial and early American history. If you have school age children please recommend our school program to their teachers or visit [www.mountharmon.org](http://www.mountharmon.org) for more information.

## PRESIDENT'S REPORT

### "WHERE EAGLES FLY"

Visitors to MHP are often lucky enough to witness the American Bald Eagle soaring above the Sassafras and nesting on its shores. The sight is quite amazing and a testament to the resurgence of the eagle population on the Chesapeake. As of April 2015, MHP members and guests can also enjoy the picnic area built by local Eagle Scout, Jared Schrader! The picnic site and fire pit are a fabulous addition to our nature trails and shoreline vistas!

Jared Schrader is no stranger to MHP. Jared lives with his mother and father (Kerry and Freddie) and sister (Courtney) on nearby "Wil-o-mar" Farm, a working dairy farm less than 1 mile from MHP as the "Eagle flies". Jared is a junior at Bohemia Manor High School. Coincidentally, the mascot for Bohemia Manor High school is the "The Eagle". Jared's involvement in the community and school is nothing short of amazing. Jared's list of projects and activities include, concert band, jazz band, marching band and all county band with his trumpet, Angelic Bells Hand bell choir at Zion Methodist Church, Cecil Sliders 4-H (club president, dairy heifer projects, MD state 4-H delegate), vacation bible school volunteer, Cecilton Backup Ministry feeding local students with weekend hunger risk, 2 time Ben Carson Scholastic Scholar recipient, and various other volunteer and leadership activities in school, Scouts, church, 4-H and community. As you can see, Jared has definitely spread his wings and soared!

Scouting has always been a big part of Jared's life. Jared joined Cub Pack 340 in Cecilton at age 7. Jared eventually joined Troop 902 in Bear when the local Scout troop in Cecilton dismantled due to low attendance. Through the years, Jared and his scouting ventures often included MHP. Jared's local Troop has assisted with several Re-enactments at MHP helping with people transport, trash removal and parking. Jared's Scout Troop has also enjoyed several camping trips to MHP including, "Survivor Sassafras", an adventure camping event. Jared has gained many life skills through scouting. Camping, outdoor survival, first aid and leadership are several of the valuable lessons learned from Jared's Scouting career.

Jared's desire to pursue the rank of Eagle in scouting was an ambitious one. Through inspiration from other Eagle Scouts and self-motivation, Jared's Eagle Scout journey was well planned out. The requirements for Eagle Scout must be completed by the age of 18. This requirement is sometimes not met by scouts in pursuit of Eagle. Jared made sure that his path to Eagle Scout was timely and achievable. The Eagle Scout rank requires an "Eagle Project". The project consists of many aspects that challenge the leadership, planning, implementation, design and management skills of the Scout. With Jared's connection to MHP and his love for the outdoors, a picnic site on the banks of the Sassafras was a perfect match! Jared directed a group of 30 Volunteers in the planning, design, building, transportation and installation of the fire pit, picnic tables and benches at the new picnic site!

In early December 2015, Jared and his fellow Earleville scouting friend, Jonathan Huey, were inducted into Scouting's most prestigious rank of "Eagle" in a "dual ceremony." Sadly, Jonathan Huey's mother, Mary Beth Huey passed away days before the ceremony following a courageous battle with cancer. The ceremony was organized by Mary Beth before her passing and went on as planned, with full support from both Johnathan and Jared. MHP is proud to be a part of Jared Schrader's Eagle Scout experience. The new picnic area is open to members and guests of MHP. Pack your picnic and enjoy the natural beauty of MHP this season! Who knows, you might catch a glimpse of our "Soaring Eagles"!!

On a sad note, we will miss Cathy Dill, who passed away last fall after a fight with cancer, and who served as a valued FOMH Board Member. Cathy was instrumental in helping to start the Earth Day 5K and for bringing corporate support to Mount Harmon. We will be planting a dogwood and having a memorial service in her honor at our Earth Day 5K April 23. We are so thankful for supporters like Cathy, and for all of you who give so generously to support Mount Harmon.

~ Stephen W. Isaacson, President FOMH Board of Directors

# Mount Harmon Special Events You Won't Want to Miss!

## *Earth Day 5K Cross Country Run/Walk Saturday, April 23<sup>rd</sup>, 9am-1pm*

Celebrate Mother Earth at Mount Harmon's Earth Day 5K Cross Country Run/Walk. Refreshments, Prizes, Tours
